EXPERIENCE, ENERGY & ENTHUSIASM

We are South Florida's premiere offline and online magazine with YouTube TV presentations devoted to Boomers and Seniors in South Florida and beyond.

We are your best opportunity to reach this growing population who wants and needs your products and services. Besides being inserted in 18,000 *Miami Herald* subscribers' homes monthly (North Miami Dade and South Broward), we are distributed throughout Broward and Palm Beach counties in condos, and high traffic business areas.

Whether you can afford a small or big application, our solid and strong reputation for trust and problem solving allows you and your company to stand with us and receive enormous benefits.

Energize your expectations for October, November and December as we are all hopeful to gain powerful results from all the good work you and our communities have accomplished.

Join us, our business partners and friends, and jump in and allow us to champion you with the most effective marketing available at an economic cost. We do this through our "Mind Mapping" to give you ideas and solutions you may not have even thought of.

We are so happy to be a member of BCOA and want to reach out to each and every one of you!
