

Diane Smith, MNM

Diane is a Certified Navigator with the Healthcare Navigation Program at Epilepsy Florida. The Healthcare Navigation Program at Epilepsy Florida is a federally funded certified healthcare enrollment program that provides in-person education, counseling and enrollment assistance to Floridians wanting to shop and enroll for health coverage, or have questions concerning their health insurance. For more information call **1-877-553-7453** for assistance and appointments.

Epilepsy Florida is dedicated to supporting the more than half a million Floridians impacted by epilepsy by confronting the spectrum of challenges created by seizures. For more information or to visit your local office, please contact us at <https://www.epilepsyfl.com/contact-us>

Phone +1-877-553-7453

In addition to her work with Epilepsy Florida, Diane provides nonprofit consulting services throughout Broward County in a variety of areas including grant writing; program development; volunteer management; contract compliance; fundraising and special events; donor relations and working with caregivers.

Diane has worked in nonprofit management in Broward County for over 35 years in a variety of executive positions including as the Executive Director of Broward Homebound Program, Chief Operating Officer at Impact Broward and Senior Director of Caregiving Services for the South Florida Institute on Aging.
