Administrator

Sunreef Home Care

Nancy Thompson, RN, CMC, is the Administrator of Sunreef Home Care, LLC, a home health agency providing quality skilled and non-skilled services to the senior community population serving Broward and Palm Beach Counties.

Originally from New York, Nancy obtained her RN license here in South Florida and has been a nurse over 20 years. She has provided care as a clinician, hospital discharge liaison and has held several leadership positions in home health, hospice/palliative care and private duty administration for several large health care organizations. Nancy was CEO of her own Medicare/Medicaid and personal care home health agency for over 5 years. She is also a Certified Care Manager as well as an American Heart Association CPR instructor.

Nancy says, "I have been blessed with the opportunity to be a caregiver both professionally and personally and it has influenced me to be very passionate on promoting the importance of aging at home for overall health and wellbeing. I am dedicated to being a mentor in the health care industry as well as a positive, supportive impact in the lives of those during their most challenging times. I am also grateful and honored knowing I can help make a difference."
